GAME INFORMATION

Celebrating 25 years of the best hoopsters

Today's game marks the 25th installment of the series between Yakima's best hoopsters and those from the Tri-Cities. Its history, however, began long before any of today's players were born.

The game was originally called the Newspaper Classic and was conceived in 1994 by the sports departments of the Yakima Herald-Republic and the Tri-City Herald.

In 2000, the name was changed to the Media Classic and the series was expanded to give more athletes a chance to play. All-stars from the Class 4A and 3A schools got their own game as did the All-Stars from the 2A, 1A and B schools.

In 2004, the series returned to one boys' game and one girls' game with all classes playing together. The rosters were expanded to 15 players and quarters were extended to 10 minutes.

The games continued until 2016 when the newspapers changed their focus and no longer had the resources to plan the series.

In 2018, Jeff Morrow, the Tri-City Herald's retired sports editor and Parker Hodge, a former Herald employee who together had planned the games for over a decade, decided to revive the series and partnered with the staff of SWX to televise the series.

The response has been terrific from the players and the community, who today will get the rare chance to see some of the most talented players from the Mid-Columbia and Yakima Valley together on one floor.

Organizers also wanted to continue a tradition which donates the

proceeds of the games to charity. The series has donated over \$25,000 to local charities over the years. This year, we have selected the YMCA of the Greater Tri-Cities and the Kamiakin Dance Team as the recipients of the funds raised at today's game.

Please enjoy the fun!

SMART LAW

THINGS ABOUT TODAY'S GAME

Today's game will generally follow the rules, regulations and format of the WIAA. However, we have made a few changes for player participation and fan enjoyment:

LENGTH OF GAME: Four 10-minute quarters. This is to allow more playing time for our expanded roster size.

BREAKS/TIMEOUTS: A two-minute media timeout will be taken at the first dead ball after the five-minute mark of each quarter. Coaches have the standard five timeouts for use throughout the game as well.

HALFTIME: Length is 10-minutes and includes profile interviews with players and coaches on SWX.

PARTICIPATION: The coaches make every effort to ensure equal playing time among the players. The starting five was selected at random. Substitutions are made regularly, typically every five minutes in groups of five.

STATISTICS: Following the game, official statistics will be posted at parkerhodge.com.

SWX REPLAY: Today's games will be replayed on SWX on Sunday, March 22 with the girls game at 7:30am and the boys game at 9:00am. DVD copies are available for purchase by contacting the KNDU office in Kennewick.
